

Sections 1012.685 and 1012.87, Florida Statutes, allow school boards and community colleges to supplement the early retirement income payable from the FRS to retiring school personnel. The benefits provided are usually equal to the amount of the reduction in monthly benefits resulting from retirement under the FRS prior to age 62. The participant must have applied for FRS early retirement, in addition to the many other requirements, to be eligible for the early retirement benefit.
